

Expanding Your Personal Flight Envelope - Spins

We will thoroughly dissect the topic of spins: What is a spin; flight into spins; how not to spin; video views of a spin from inside and outside the airplane; spin recovery methods; spins for fun and competition. The speaker, Wes Liu, is an International Aerobatic Club (IAC) Safety Coach, aerobatic competitor, and National Aerobatic Judge.

Directions: From downtown Keene, take Rte 12 south to Rte 32. Turn right. Go ¼ mile to airport entrance sign, turn right and follow road to terminal building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
